

EZEE MAINTENANCE OIL

Description: **EZEE MAINTENANCE OIL** is a blend of quick drying natural oils and resins formulated to renovate and refresh previously hardwaxed/oiled interior surfaces.

Preparation: Lightly abrade surface with fine grade sandpaper. Thoroughly remove all traces of dust.

Application: **Ensure good ventilation during use and after application**

Always test product on small area prior to initial application.

Apply at room temperature.

No primer required.

EZee Maintenance Oil is formulated for direct application and does not require thinning.

Maximum 2 coats recommended

FIRST COAT:

Shake the contents thoroughly before and during use. Apply THINLY using a **Granwax Applicator or Roller** and lay EVENLY, following the direction of the grain. Remove any surplus material immediately with a cloth, carefully checking all areas for any excess application. Leave to dry for approximately 3 hours in warm, dry, well ventilated conditions.

SECOND COAT (IF REQUIRED)

Allow good ventilation at all times. Apply as soon as first coat is dry. Apply THINLY, as first coat. Leave to dry for approximately 3 hours in warm, dry, well ventilated conditions.

Coverage: Approximately 20 – 24m² per litre

Pack Size: 1 litre container

Storage: Keep container tightly closed and store in well ventilated area.

Health & Safety: For health and safety information on this product, please refer to our material Health & Safety Data Sheets.

Cleaning & Maintenance: **GRANWAX EZEE HARDWAXED FLOOR MAINTAINER** is recommended for the general cleaning of hardwaxed/oiled floors.

No liability is accepted for any loss or damage arising directly from the use of the Company's products or from the use of the information given in its publications. Prospective users should therefore satisfy themselves by appropriate trials that the product to be used is suitable for the intended use.
