

# GRANGEL

## *Pine Jelly Heavy Duty Cleaner*

**DESCRIPTION:** Grangel is a natural pine jelly heavy duty cleanser and treatment. It deodorizes as it cleans. Grangel contains no free alkaline or abrasive materials but is pleasant to use giving results usually obtained only with solvents or harsh alkali.

**APPLICATION:** Grangel has a wide range of cleaning purposes, being particularly suitable for hard floor surfaces, ceramic tiles, quarries, etc. Also recommended for linoleum, thermoplastic, composition, vinyl, p.v.c., rubber, sealed timber and cork, etc. It gives excellent results on walls, paintwork, varnished surfaces, etc. and will remove traffic film from coachwork.

Grangel discourages germ growth and is excellent for use in toilet blocks, showers, bath areas, etc. It rinses freely and leaves a fresh pine aroma.

**MAINTENANCE:** For normal cleaning purposes, sweep floor clean of loose dirt, dissolve 50ml Grangel with 5 litre warm water and apply the solution with a mop. Leave in contact for 2 – 3 minutes, wring mop and dry the cleaned area.

To remove stubborn dirt, scuff marks, etc., use 100ml Grangel to 5 litre warm water. Apply solution to floor and leave for 4 – 5 minutes before mopping clean.

Grangel provides a classic damp mopping system, but can be used in conjunction with scrubbing and polishing machines. For spray cleaning use 1:40 dilution rate.

After using Grangel, floor surfaces may be burnished to a progressive shine if required, using suitable machine and pad.

**PRECAUTIONS:** USE ONLY WARM WATER

**STORAGE:** Store in a cool, dry place. Keep out of reach of children.
