

GRANPAINT

Polyurethane Games Line Paint for Granwood & Gransprung Floors

Description: GRANPAINT is a hard wearing 2-pack polyurethane paint, designed for use in conjunction with Granguard or Granguard Aqua II-pack floor finishes to provide a fast and effective system for court line markings and coating on Granwood and Gransprung sports hall floors.

Application: On refurbished Granwood or Gransprung floors, the surface should be sanded back to a smooth even finish and all dust and debris thorough removed, prior to applying one coat of Granguard or Granguard Aqua II-pack using suitable applicator and pad, following the instructions on data sheets.

Allow first coat of applied finish to dry overnight before abrading the surface using 100grit sandscreen disc or paper. This will provide a 'key' for application of paint lines and further coats of the floor finish.

After removing all traces of dust and debris by vacuuming and 'tack-rag' method, set out court markings with masking tape. Thoroughly mix the Granpaint Resin with the Hardener, following instructions on the container. Apply the paint using brush, synthetic pad or suitable roller. The paint should be applied evenly to avoid pooling or drip marks, which will detract from the overall appearance of the floor.

Please note: Masking tape should be removed no later than 15 minutes after application of Granpaint to avoid the tape becoming 'sealed in' or leaving jagged edges.

Overcoating: Granpaint may be overcoated with Granguard or Granguard Aqua II-pack as soon as the paint is tack-free (approx. 4 – 6 hours). If Granpaint is to be left longer than this period, it must be lightly abraded with 150grit sandscreen disc or paper prior to receiving further coats of finish.

Normally, two coats of Granguard or Granguard Aqua II-pack are recommended over the lines to ensure good protection and colour enhancement of the paint.

Maintenance: For details on the correct maintenance of Granwood and Gransprung floors and our recommended products, please refer to our data sheets or contact us on 01773 541177

Coverage/Colours: Per 1 court	Badminton:	1 litre WHITE	(RAL code 9010)
	Netball	1 litre RED	(RAL code 3000)
	Basketball	2 litre BLACK	(RAL code 9011)
	Hockey	1 litre ORANGE	(RAL code 2010)
	Volleyball	1 litre GREEN	(RAL code 6017)
	5-a-side Football	1 litre BLUE	(RAL code 5015)
	Tennis	1 litre YELLOW	(RAL code 1023)

Pack size: 1 litre tins (resin + hardener). Pack also includes wooden spatula for mixing and gloves.
