

# GRANSHIELD

## Metallised Emulsion Polish

- DESCRIPTION:** GRANSHIELD is a fast drying emulsion polish with a bright, tough finish. It offers maximum protection, giving a more durable finish and is resistant to neutral detergents. GRANSHIELD is ideal for use on thermoplastic, cork, linoleum, vinyl, asphalt and sealed timber surfaces.
- APPLICATION:** Initial treatment: Clean the floor surface thoroughly using a solution of Granwax Alkaline Cleaner and warm water. Rinse with clean water and allow to dry. Apply a thin, even coat of GRANSHIELD using a clean mop or applicator. Do not rub emulsion into the floor. Allow to dry. If necessary, a second coat may be applied.
- MAINTENANCE:** Sweep floor daily – impregnated mop sweepers are recommended. When the surface becomes soiled, mop clean with a solution of Jadex neutral detergent and water. Allow to dry before applying further coats of Granshield.
- PRECAUTIONS:** Protect from frost. Keep out of the reach of children.
- HEALTH & SAFETY:** Please refer to the product Material Safety Data Sheet for full information.
