MATERIAL SAFETY DATA SHEET

Product name: **Granpine**

Reviewed date: September 2009

Reviewed by MC

1. Identification of substance

Substance: **Granpine**
Supplier: Granwax Products Limited
West Street
Riddings, Alfreton
Derbyshire DE55 4EW
Telephone: 01773 541177 Fax: 01773 541429
This revision: September 2009

2. Composition/Data on components

Composition and classification of potentially hazardous components.

<u>Component</u>	<u>Concentration range</u>	<u>Classification</u>	<u>Risk Phrase</u>
Quaternary ammonium compounds	less than 3%	None	

Occupational exposure limits:
NONE

3. Hazards identification

This preparation is not classified as hazardous under the CHIP regulations.

4. First aid measures

Skin exposure: If soreness or irritation occurs as the result of skin exposure, wash the affected area with soap or mild detergent and water. Remove contaminated clothing. If symptoms persist seek medical advice. Prolonged or repeated contact may cause short term irritation, de-fatting of the skin and could cause dermatitis.

Eye splashes: If the material is splashed into the eye, wash the affected eye with clean running water for at least 15 minutes. Seek medical advice.

Swallowing (ingestion): If material is accidentally swallowed, do not make patient vomit, seek medical advice. This information should be taken with the patient when seeking medical advice.

Inhalation; Move patient to fresh air. If patient is unconscious, place in the recovery position and seek medical help immediately. Do not give patient anything to drink.

5. Fire fighting measures

No special measures are required.

6. Accidental release measures

Spillages should be contained with a non-combustible absorbent material and collected for disposal in accordance with the local regulations.

Spillages should not be allowed to run to surface waters

7. Handling & storage

Protect from frost.

All chemical preparations should be stored securely where they cannot be interfered with or used by unauthorised persons.

8. Exposure controls & personal protection

Prolonged exposure may cause skin irritation.

9. Physical and chemical properties

Appearance:	Light yellow Liquid	Odour:	Surfactant
pH:	approx 7.5	Boiling point / range:	100 deg.C
Melting point / range	Not Applicable	Flash point:	Not determined
Flammability	Not applicable	Autoflammability:	Not applicable
Explosive properties	None	Oxidising properties:	none
Vapour pressure	Not known	Relative density:	Approx. SG 1.06
Solubility	fully water soluble	Partition coefficient: n-octanol / water	Not Known

10. Stability and reactivity

This preparation is generally stable

11. Toxicological information

The product is of low general toxicity.

As with all cleaning materials it may be irritant to the skin. Any person with a history of skin sensitisation should take extra care when handling this preparation.

12. Ecological information

No data available

13. Disposal considerations

This product is not classified as special waste. Any surplus or waste arising from the normal use of this product must be disposed of in accordance with local waste regulations.

14. Transport information

Not classified as dangerous goods under CDG CPL2
